Grievance hearings will be set in June, 2024. We will contact you via phone or e-mail to set a time for your hearing. If you are not available to appear at that hearing, it is acceptable to file a grievance by letter or to send a representative in your stead (with a letter authorizing that individual to represent you). If you were not the owner of the property as of 4/1/2024, you may need a letter from the owner authorizing you to grieve the assessment for that property.
