

Wallingford Day
Recreation Subcommittee
Minutes

Tuesday, June 4, 2024 at 6:30 p.m.
Wallingford Town Hall

The meeting was called to order at 6:35pm.

Present: Jane Duda, Heather Johnson, Michael Luzader, Barbara Boucher, Maria French

Minutes were approved by consensus.

No public was present.

We reviewed the schedule and map to make sure events would not conflict, and noted what aspects of the day had not been confirmed, or might need adjusting. No action was taken, but committee members will seek answers from appropriate sources and report back at the next meeting.

Wallingford Day will be more active on social media after school gets out.

We decided that this Wallingford Day will not include non-food vendors, in answer to an inquiry from an interested party. Residents are welcome to sell their crafts, etc, at their tag sales on their own property that day.

We discussed how we would make sure we used all the remaining funds ahead of the end of the fiscal year, decided that we would make sure all necessary paperwork for payment of the fireworks is submitted by June 12, and then submit remaining invoices to be approved starting in July.

We scheduled all our future meetings between now and Wallingford Day, July 20:
June 18, July 2, July 9, July 16.

The next meeting's agenda will include:

Sign-making

Social media

Review bike parade

Review schedule and map

The meeting adjourned by consensus at 7:25pm.
